A Brief Account of the College:

Perunthalaivar Kamarajar Arts College, situated in the hamlet of Kalitheerthalkuppam, Madagadipet, is run by the Pondicherry Society for Higher Education, Government of Puducherry. A rural college started in 1998 to cater to the educational needs of the rural students from Madagadipet and the neighbouring villages who commute everyday for about 30 kms, to reach an institution of higher education.

Classroom teaching is enhanced by seminars, conferences and workshops, and activities that take the students out of their classrooms and expose them to greater fields of knowledge expanding their skills.

The college has a total strength of 560 students of which 285 are girls and 275 are boys. It has 31 teaching faculty members, 8 non - teaching staff members and sufficient number of sanitary assistants, security guards and a driver.

The college is situated in a sprawling campus of 2.96 hectares of land with a two storied own building. The campus has a renovated Sports ground with a Football court, Kho-kho court, Cricket with Net Practice, Volley Ball, Shuttle, Badminton and other games.

The college has a well-equipped library and reading room facility with INFLIBNET. It has an air-conditioned Computer Lab and Language Lab to cater to the needs of the aspiring students. The college has a well-built auditorium, ladies retiring room and canteen. The students are monitored by CCTV cameras.

The college also sensitizes the students to social and environmental issues and a great amount of the credit for creating such awareness, has been given to the two NSS units, the Red Ribbon Club, Rotaract Club of PKAC and the Youth Red Cross.

The college takes the placement activity very seriously to improve the employability of its students. In collaboration with the Department of Information Technology and ICT, Chennai, the college trains batches of final year students on a regular basis for periods of 45 days, per batch. These students are, thus, better equipped to face interviews and tests and have greater success at placement drives than earlier.

The college has UGC 2(f) and 12B Status and is accredited by NAAC with 'B' Grade. It is our fervent hope that the efforts taken over the years to educate the first generation learners providing them with every facility possible to empower them to meet the challenges of the world outside their own little spheres of existence, continue to bear fruit by way of them securing good employment and being good citizens of their country.

The college reaches out to students from all walks of life, especially to those who are socially and economically disadvantaged, to provide them with equal opportunities for education, to make them employable, and to equip them to face life's challenges.

A Brief Account of the College:

Kasthurba College for Women, the erstwhile Villianur College for Women, was established in the year 2005 under the aegis of the Pondicherry Society for Higher Education which is wholly funded by the Government of Puducherry, to cater to the higher educational needs of the women students hailing from rural backgrounds. As the region of Puducherry previously had only one exclusive college for women, that too in the centre of the town, it was very difficult for students hailing from rural areas around Villianur to reach the portals of higher education even after scoring well in the higher secondary examination. As it has ever been the vision of the Government of Puducherry to provide quality higher education to all aspiring women students irrespective of their socio economic backgrounds, this college was established within the campus of Kannagi Higher Secondary School, with two need-based and society-based departments, namely, B.A. Social Work and B.A. Historical Studies.

Kasthurba College for Women contributes positively to society to bring new and meaningful changes in the lives of young women. We have the responsibility to educate and to support students at every level of attainment. We aid students in developing personal discipline, strength, resilience and rigour. We try to consciously and consistently emphasize the building of good character by enhancing the physical, emotional, moral, intellectual and spiritual domains of a student. We provide a dynamic, broad-based curriculum in an intellectually stimulating environment aimed at meeting the changing needs of tomorrow's world.

Ever since its inception, with the assistance of dedicated and highly qualified faculty members, the vision of the Government of Puducherry is being fulfilled as our students excel in various activities across the nation. A number of passed out students are well employed in various Government and Non-Governmental organizations across the U. T. of Puducherry and Tamil Nadu.

For all of us, the journey is as important as the destination, and we are sure that our college provides an excellent platform for the students to strive towards rewarding experiences and opportunities to help and to care for each other. We are positive that anything can be achieved with participation and persistence.
