Category: OS-GEN	Last Date for Reporting at the Allotted College: 18.01.2021

The Allotment is subjected to the following terms:

1. This allotment of seat is provisional. Admission of any candidate not possessing the required qualification, mark statements, and certificates (for their admission category) will be cancelled outright.
2. At any time, if the PGAC/College authorities find out that admission has been obtained based on suppression of relevant facts, and submission of false/incorrect information/documents such as mark statements, certificates for admission category, etc., the admission offered or the admission already completed shall be cancelled, irrespective of the stage of study of that course.
3. If the candidate does not join the course offered on or before the date indicated above, he/she shall forfeit the seat allotted and he/she cannot claim the same seat/allotment subsequently.
4. The candidates should not have any standing arrear up to final semester and 50% marks (45% marks in case of candidates belonging to reserved category). Failure in satisfying the above two conditions will lead to the cancellation of admission.
5. The candidate must produce the original mark sheets of all semesters and updated original certificates for the category under which seat is allocated, while reporting at the college. If any candidate, who passed in academic year 2019-20, fails to produce the final semester mark sheet, the internet result page with the attestation of the Principal (of last studied institution) can be accepted. As soon as the University/intuition issues the final semester mark sheet, it must be submitted.
6. The candidate, who chooses a seat in the counseling-II, must join in the programme. After choosing a seat in the counseling-II, the candidate will be removed from the merit list.
7. Once joined in the course through the counseling-II, withdrawal of admission and attending counseling pertaining to all other courses under PGAC are not allowed.
