Ref.No.

Date:

Clarifications: Metric Level deviations

1.3.3. Percentage of students undertaking project work/field work/ internships (Data for the latest completed academic year.

As mentioned in the SSR metric 1.3.3. The number of students undertaking project work/fieldwork/internships for the latest completed academic year was uploaded in SSR 1.3.3. However, the difference in the inputs is due to the following reasons.

1. B.B.A Students are given individual certificates for their internships.
2. In the Department of B.C.A the students are taking the project work as a group with a minimum of 3 students and the same certificate is given to the individual involved in the group.
3. The Number of students involved in B.B.A (44) and in B.C.A 12 different Project works were carried by 12 batches comprising of 35 students. So in total 79 students involved in the Project work.
