The Department of Computer Applications in association with IAQC-Cell organized a One-day State Level workshop titled “Data Science and the Future” on 09.09.2021 at 10:30 am through Google Meet platform. Mrs. R. Krithiga, Head of the Department welcomed the gathering and emphasized on the objective of the workshop. Dr. S. Babu, Principal of the college, delivered the inaugural address and stressed on the need for organizing such a workshop to the students. After the key speaker was introduced by Mr. F. Antony Joseph, Assistant Professor of Computer Applications, the session was then commenced by the key speaker Dr. S. K. Senthil Kumar, who offered deeper insights into the theoretical aspects of machine learning techniques. After the lunch break, the afternoon session commenced at 02:00 pm by the key speaker Dr. E. Gurumoorthi. He focussed on the practical approach to applying machine learning techniques to real world problems. The students of Rajiv Gandhi Arts and Science College, Achariya Arts and Science College, Idhaya Arts and Science College for Women, Sri Manakula Vinayagar Engineering College, Motilal Nehru Government Polytechnic College and Perunthalaivar Kamarajar Arts College took active participation in the workshop. About one hundred and sixty students and the faculty members of various colleges were part of the event. Dr. R. Vasundhara Devi, Assistant Professor of Computer Applications, delivered the vote of thanks and the event was compered by Mrs. J. Vijayabarathy, Assistant Professor of Computer Applications.

Screenshots of the event

The screenshot shows a Google Meet window with a presentation slide. The slide title is "Machine Learning Techniques and Applications" in blue text. Below the title, the presenter's name "Dr. S.K. Senthil Kumar" is displayed in red, followed by his titles "Professor / CSE (AIML)" and "Head / IQAC" in black, and his affiliation "St. Peter's Engineering College, Hyderabad" in black. The slide background features a light blue sky and mountains. To the right of the slide is a grid of participant video thumbnails. The top row shows Dr. Senthil Kumar and a participant from the Department of Computer Science. The second row shows a participant named "B" and "Babu Sanjiv". The third row shows a participant named "D" and "You". The bottom row shows "All others" and "You". The bottom of the window shows the meeting controls and a timestamp of 10:09 AM.

The screenshot shows a Google Meet window with a presentation slide titled "Training and testing". The slide contains a diagram illustrating the data flow in machine learning. It starts with "Data acquisition" leading to a "Universal set (unobserved)" represented by a cluster of blue and red dots. This set is then divided into a "Training set (observed)" and a "Testing set (unobserved)". The "Training set" is shown with a dashed line representing a model fit. The "Testing set" is shown with a dashed line representing the model's performance on new data. The diagram is labeled "Practical usage". To the right of the slide is a grid of participant video thumbnails. The top row shows Dr. Senthil Kumar and a participant from the Department of Computer Science. The second row shows participants "R" and "D". The third row shows participants "Ramesh Kumar" and "Subramanian". The bottom row shows "All others" and "You". The bottom of the window shows the meeting controls and a timestamp of 11:26 AM.
